

HealthTeamWorks® When Your Health Team Works

## 2017 TRAININGS

Advancing the workforce through competency driven programs,  
application of learning and ongoing collaboration

Care Manager Training:  
*Solutions, Strategies, Success*  
October 10-12  
Arvada, CO

*Early bird rate through September 20, 2017*

In this three-day workshop, care managers will acquire skills for integrating into the care team, how to establish and implement care management processes, tools and resources, and strategies to educate and activate patients to adequately address their health care needs.
